THE OLD SMOOTHIES

How many remember those wonderful old-timers Harold and Irene Avery who danced their way into the bright lights of show business with Holiday on Ice?

They were known as the THE OLD SMOOTHIES.

They began skating in 1949 when they thought they would like to learn to dance on skates. They belonged to several clubs in order to get ice-time and even practiced on ponds and outdoor rinks. They purchased a CFSA Rule Book. Harold would learn his steps and Irene would learn hers, then they got together with music. They were coached by several professionals and in 1958 were asked to represent the Brant FSC in the Veterans Dance event. They received the first trophy awarded for that event.

They skated over 1000 performances and were the oldest professional skating couple on ice and the oldest to audition for Holiday on Ice.
